

NATIONAL SPACE DAY

2026

Organised By

Department of Physics, Centre for Atmospheric Studies & Radio Gyanmalinee 90.8 FM,
Dibrugarh University

**Theme: “Towards Viksit Bharat: Innovating, Collaborating
and Aspiring to Global & Space Leadership”**

National Space Day is celebrated on August 23 each year to commemorate the historic soft-landing of the ISRO Chandrayaan-3 mission near the Moon's south pole in 2023. This achievement made India the first nation to land near the lunar south pole and the fourth to achieve a lunar soft landing.

Keynote Speaker

Prof. D. Pallamraju

FASc Academician (Elected Member),
International Academy of Aeronautics (IAA),
Senior Professor and Dean
Physical Research Laboratory,
Navrangpura, Ahmedabad 380009, India.
