NOTIFICATION

In view of the severe flood situation prevailing in Upper Assam, particularly in Sivasagar, Charaideo, Jorhat and adjoining areas, which has caused widespread disruption to normal life and affected a large number of students and their families, the Dibrugarh University has decided to put in place the following facilitative measures in the interest of affected students of the University.

01. Online Admission Facility.

The students residing in flood-affected areas who are unable to travel to the University for completing their admission formalities in person are hereby informed that the University will make necessary provisions for online admission in respect of all remaining programmes/courses where admission is still being conducted offline, including admission to the Five-Year Integrated Programme (FYIPGP) under the CUET category. Affected students may contact the respective admission cell/department for the requisite online procedure to be followed.

02. Reissue of Lost Academic Documents.

It has come to the notice of the University that several flood-affected families have lost important documents, including educational certificates, marksheets and other academic records, due to the flood. All present and former students of the University who have lost such documents are hereby assured that the University has put in place appropriate mechanisms to facilitate the reissue of lost certificates, marksheets, and other academic documents on a priority basis, subject to the usual verification procedure. Affected students/former students may approach the Controller of Examinations/concerned section of the University with a written application, along with an undertaking/affidavit regarding the loss of documents due to the flood, for expeditious redressal.

It may be noted that applications for the above purpose, if any, should be submitted within 3 (three) months from the date of issuance of the notification.

Issued with due approval.
